Q. What according to you is the role of Government Recruitment Agencies during the COVID-19 crisis?

R. The role of Government Recruitment Agencies (GRAs) during the COVID-19 crisis is to ensure that ethical practices are being followed and the welfare and rights of the migrants are prioritised. In situations such as the COVID-19 crisis, government GRAs are in a position to take rapid turnaround actions and provide support to the migrant workers.

Q. How do you foresee the role of the IMC-K in positioning Karnataka as the prime destination for skilled workers and the source region for skilled and certified labour?

R. IMC-K will play a key role in positioning Karnataka as the prime destination for skilled workers and the source region for skilled and certified labour. It will work towards streamlining the recruitment process, ensuring transparency, and providing professional development opportunities for workers.

Q. How do you see the KVTSDC functioning in the current scenario?

R. KVTSDC will continue to function as a beacon of ethical recruitment practices in Karnataka. The purpose is to promote the welfare of returnee migrants using the Kaushalkar portal and database.

Q. How do you see the MRC functioning in the current scenario?

R. The MRC will function as a critical information dissemination platform to ensure that the information reaches those who need it the most.

Q. How do you see the MIC functioning in the current scenario?

R. The MIC will function as a strategic platform to provide enhanced protection and support to the migrant workers.

Q. How do you see the RAs functioning in the current scenario?

R. The RAs will function as institutional enablers of competitive and innovative economic growth for Karnataka, and will serve as an institutional Overseas Employment Pathway that can open myriad opportunities for the state's young, talented, skilled and trained women and men.
